\*The nursery fees quoted above have had the Early Years Entitlement applied. Your child qualifies for the entitlement from the term after their third birthday until the term of the fifth birthday, equating to six terms. This makes the entitlement also available within the reception class for between one and three terms (depending on the date of birth of your child). The Early Years Entitlement varies slightly each term according to the length of the term, however if over the year you use the maximum 570 hours, the total entitlement for the year is £2280.00. An average entitlement per term has been used to illustrate what you are likely to pay. Please contact the school for a precise figure.

Apart from individual music tuition and trips that incur additional charges, the school fee covers costs such as lunches, snacks and lunchtime extra-mural clubs.

A reduction of up to 10% of the termly fee paid is given in arrears for each child arriving at and departing school by 'sustainable means of transport' (terms and conditions of this offer can be seen at [www.springmead.com/stp.html](http://www.springmead.com/stp.html)).

Fees are payable by the first day of term. For further information see Terms and Conditions.
