## The Springmead Award

The Springmead Award scheme provides an inspiring, challenging and rewarding programme of personal and social development for our young people.

Participants prove their personal commitment to various activities that they may not normally experience. There are parallels with the Duke of Edinburgh's Award that runs in most senior schools. Similar to the Duke of Edinburgh's Award, the Springmead Award scheme develops the "whole child" and inspires them to reach their potential and achieve through confidence gained in the many elements.

All children in the Preparatory Department are involved in this Award.

The Copper, Bronze, Silver and Gold Springmead Awards are taken by pupils in Years 3, 4, 5 and 6 respectively. The elements include: a hobby; a physical activity; community service; undertaking a first aid course; participating in a residential trip and completing a hike - all at increasing levels of difficulty.

The children are given their Springmead Award booklet at the beginning of the year. As the various elements are undertaken, a signature to verify participation is collected. The Springmead Award medals are presented at the school year end, to those who have completed all elements.

Our after school club remains available, offering a high tea or picnic, craft activities, games, free play and an opportunity to complete homework if your child chooses to. We are unable to refund club fees if your child has been chosen for a fixture as we still need to run the club for the children who are able to attend.
