Be involved

Summer 2022

For Reception to Year 6

Dear Children and Parents,

Welcome to our Summer Term clubs booklet, we have looked closely at the clubs we are offering and added some new ones alongside some old favourites. We are proud to be offering over 35 enrichment clubs, this is a huge amount of activities which enhance the children's experiences and opportunities beyond the classroom and is what adds to the Springmead difference.

We are so fortunate to have a strong sports team on staff here at Springmead, each term our sports club change with the season, for the Spring term we are delighted that Emma Lindley has returned to the fold and can offer sports alongside Jarad, our sports coach, Nick Munckton, Maria Keates, Jasmine Heard and Charlotte Munckton.

As well as sports of course, we have a host of creative and curriculum enhancing opportunities. In Key Stage 2, Key Stage 1 can continue to enjoy favourites such as pre-prep choir and construction while also branching out into science and the arts.

Children now need to decide, with their parent's help, which clubs to attend next term. A minimum of two clubs need to be chosen, one of which must be a sports club. Think carefully about the "play time" versus "club time" balance, so there is enough time to relax.

Art - In Art club learn about and emulate artists from across the world and throughout history, begin to learn about proportion and scale and how to make your drawings come to life.

Art & Craft/Craft - In these sessions use and combine a variety of materials to create your own works of art.

Pre-Prep Choir - You too will be developing your singing skills as well as performing in public. If you would like to audition to join the choir, tick pre-prep choir as one of your club choices.

Musical Theatre - a fun club that will have elements of singing, dancing and acting and may lead to some performances. You will be developing your singing skills as well as performing in productions and services

Writing & Doodling – Explore everything you can do with your pencil, try illuminated letters the beginnings of Calligraphy and shapes and patterns in this creative club

Ocarina – This is a great first step to learning to play an instrument. Learn to read simple music and play together in a relaxed atmosphere. It would be great if you had your own Ocarina but we do have a few in school.

Springmead Buddies - Just like the Girl Guiding and Scout Association, we believe that children develop most when they are "learning by doing" and when they are having fun. Springmead Buddies will introduce children to a whole range of activities, sports, crafts and lots of other things too. All will lead to new skills and growing confidence - with badges to collect too!

Games & Puzzles – Monopoly, Chess, simple Sudoku or scrabble to name but a few, choose from a range of games and puzzles in this fun club where you can enjoy spending time with friends, old and new.

Story Club – From Julia Donaldson to Disney and everything in between. We will share some favourite tales, look at characters and scenes, use role play to explore deeper and create some scenes from a range of stories.

Garden to Plate - This club will combine some gardening with some food preparation as well as thinking about where the food that we eat comes from.

History Explorers – Do you love History and finding out all about life in the past? Go back in time and research all those interesting and gruesome facts.

The Springmead Award

The Springmead Award scheme provides an inspiring, challenging and rewarding programme of personal and social development for our young people.

Participants prove their personal commitment to various activities that they may not normally experience. There are parallels with the Duke of Edinburgh's Award that runs in most senior schools. Similar to the Duke of Edinburgh's Award, the Springmead Award scheme develops the "whole child" and inspires them to reach their potential and achieve through confidence gained in the many elements.

All children in the Preparatory Department are involved in this Award.

The Copper, Bronze, Silver and Gold Springmead Awards are taken by pupils in Years 3, 4, 5 and 6 respectively. The elements include: a hobby; a physical activity; community service; undertaking a first aid course; participating in a residential trip and completing a hike - all at increasing levels of difficulty.

The children are given their Springmead Award booklet at the beginning of the year. As the various elements are undertaken, a signature to verify participation is collected. The Springmead Award medals are presented at the school year end, to those who have completed all elements.

The Springmead Award Requirements				
	Copper	Bronze	Silver	Gold
Hobby May take place during or outside of school, e.g.: IT club; choir; Cubs; instrument tuition.	5 sessions	8 sessions	10 sessions	15 sessions
Physical Activity May take place in or outside of school (but excludes lesson time activities), e.g.: sports clubs; horse riding; swimming.	5 sessions	8 sessions	10 sessions	15 sessions
Service Would normally take place in school e.g.: librarian duties; supporting a club for younger children.	5 sessions	8 sessions	10 sessions	15 sessions
First Aid Young Life Saver	Introduction	Award 1	Award 2	Award 3
Walk	8 km	10 km	12 km	15 km
Residential	0	2 nights	2 nights	2 nights

Costs

Lunchtime clubs remain free, whilst the end-of-day extra-mural clubs are invoiced for the whole term. Parents, please note that children choosing extra-mural clubs at the end of the school day will be invoiced at our standard after school care rate of £3.45/30 minutes. Our after school club remains available, offering a high tea or picnic, craft activities, games, free play and an opportunity to complete homework if your child chooses to. We are unable to refund club fees if your child has been chosen for a fixture as we still need to run the club for the children who are able to attend.

Invoice Confirmation

The Invoice you receive for clubs will show confirmation of the (free) lunchtime clubs and (chargeable) after school clubs into which your child has been placed.

Wet Weather

Clubs continue despite poor weather. In exceptional weather, activities move inside but are not cancelled.

Please read the club descriptions and email the School Administration Office by Monday, 6th December to avoid disappointment.

If you have any questions please speak to your class teacher.

Enjoy choosing!
