

SPRINGMEAD CLUBS

Be involved

For Reception to Year 6

Dear Children and Parents,

Welcome to our Autumn Term club booklet, we have looked closely at the clubs we are offering and added some new ones alongside some old favourites. We are proud to be offering over 35 enrichment clubs, this is a huge amount of activities which enhance the children's experiences and opportunities beyond the classroom and is what adds to the Springmead difference.

We are so fortunate to have a strong sports team on staff here at Springmead, each term our sports club change with the season, as well as this our teachers and support staff are a creative bunch and we are able to offer a wide range of art, choir, drama and musical theatre opportunities

Children now need to decide, with their parent's help, which clubs to attend next term. A minimum of two clubs need to be chosen, one of which must be a sports club. Think carefully about the "play time" versus "club time" balance, so there is enough time to relax.

The Springmead Award

The Springmead Award scheme provides an inspiring, challenging and rewarding programme of personal and social development for our young people.

Participants prove their personal commitment to various activities that they may not normally experience. There are parallels with the Duke of Edinburgh's Award that runs in most senior schools. Similar to the Duke of Edinburgh's Award, the Springmead Award scheme develops the "whole child" and inspires them to reach their potential and achieve through confidence gained in the many elements.

All children in the Preparatory Department are involved in this Award.

The Copper, Bronze, Silver and Gold Springmead Awards are taken by pupils in Years 3, 4, 5 and 6 respectively. The elements include: a hobby; a physical activity; community service; undertaking a first aid course; participating in a residential trip and completing a hike - all at increasing levels of difficulty.

The children are given their Springmead Award booklet at the beginning of the year. As the various elements are undertaken, a signature to verify participation is collected. The Springmead Award medals are presented at the school year end, to those who have completed all elements.
