Spring Term 2024

For Reception to Year 6

Dear Children and Parents,

Welcome to our Spring Term club booklet, we have looked closely at the clubs we are offering and added some new ones alongside some old favourites. We are proud to be offering around 35 enrichment clubs, some of these are invitation clubs and are offered to children who have displayed particular talents or interests in areas of the curriculum, if your child has been selected to join one of these you will receive a separate email with the invitation.

Please be aware that some of our clubs are only available for a limited number, places are allocated on a first come first served basis so please ensure that you send your choices as soon as possible.

We are so fortunate to have a strong sports team on staff here at Springmead, each term our sports club change with the season, as well as this our teachers and support staff are a creative bunch and we are able to offer a wide range of art, choir, drama and musical theatre opportunities

Children now need to decide, with their parent's help, which clubs to attend next term. A minimum of two clubs need to be chosen, one of which must be a sports club. Think carefully about the "play time" versus "club time" balance, so there is enough time to relax. With our new 'drop-in' clubs there are opportunities to be a little more spontaneous.

Please read the club descriptions and email the School Administration Office info@springmead.com by Friday 8th December to avoid disappointment.

The Springmead Award

The Springmead Award scheme provides an inspiring, challenging and rewarding programme of personal and social development for our young people.

Participants prove their personal commitment to various activities that they may not normally experience. There are parallels with the Duke of Edinburgh's Award that runs in most senior schools. Similar to the Duke of Edinburgh's Award, the Springmead Award scheme develops the "whole child" and inspires them to reach their potential and achieve through confidence gained in the many elements.

All children in the Preparatory Department are involved in this Award.

The Copper, Bronze, Silver and Gold Springmead Awards are taken by pupils in Years 3, 4, 5 and 6 respectively. The elements include: a hobby; a physical activity; community service; undertaking a first aid course; participating in a residential trip and completing a hike - all at increasing levels of difficulty.

The children are given their Springmead Award booklet at the beginning of the year. As the various elements are undertaken, a signature to verify participation is collected. The Springmead Award medals are presented at the school year end, to those who have completed all elements.

Our after school club remains available, offering a high tea or picnic, craft activities, games, free play and an opportunity to complete homework if your child chooses to. We are unable to refund club fees if your child has been chosen for a fixture/event as we still need to run the club for the children who are able to attend.

Clubs continue despite poor weather. In exceptional weather, activities move inside but are not cancelled.
